

As you are looking at this form, you probably have taken your decision to join EnergyBus already. In that case, simply flip to page 2 and fill in your details.

-> You are warmly welcome!

However, if you are looking for more details, need a little reminder or simply feel like yet another encouragement, please read on before you sign up...

**-> What is EnergyBus?**

**ENERGYBUS IS A STANDARD FOR ALL ELECTRICAL COMPONENTS OF LIGHT-ELECTRIC-VEHICLES.**

It consists of a state-of-the art connector family and its communication protocol, based on the machine language Can Open. It is shaped by developer members of the EnergyBus organization and organized exclusively for non-profit purposes (see Section 51 and the following of the revenue code).

**-> Why becoming a developer member of the EnergyBus organization?**

**BEING PART OF THE FUTURE IS THE KEY TO YOUR SUCCESS.** As a Adopter member of EnergyBus, you will get access to specifications of the connector family and the communication protocol. Last, but not least, your membership will grant you full access to the other members, networking opportunities, publicity through the EnergyBus network and advantages of all synergies standardization has to offer.

**-> Why will EnergyBus become THE standard for LEVs?**

**ENERGYBUS IS BY NOW THE ONLY EXISTING STANDARD WORLDWIDE AND A GLOBAL TRADEMARK.**

Dedicated individuals and members of the industry have concerted all their efforts, longstanding experience and developers wisdom in making the EnergyBus standard. We cannot foresee everything, that is why the standard is open for adjustments by all developer members and dependent on their input and commitment. We encourage bicycle OEMs, peripheral and software vendors, research institutes and associations to join and work actively on the EnergyBus system. If you want to shape the EnergyBus actively in Technical Committees you must become a Associate member. Please check our website for more details.

**-> How to become a member of the EnergyBus organization?**

**SIMPLY COMPLETE THE FORM ATTACHED AND EMAIL IT TO [hannes.neupert@energybus.org](mailto:hannes.neupert@energybus.org).**

**TERMS AND CONDITIONS**

The Adopter membership subscription of the company named above „Company“ becomes effective on the date on which the forum administrator sends notice of enrollment to the company. EnergyBus membership is subject to the following terms:

1. The bylaws are known to us (the „Company“) in their version as of 19th March 2007.
2. We grant permission to electronic data saving and to be named and listed as a member of the EnergyBus e.V. in directories and marketing materials.
3. Adopter membership. A 2.000 Euro payment is the membership subscription fee for a 24 months period.  
Shall any changes to the fees become necessary, you will be invited to the general or special member assembly who then decides about the changes.
4. Warranties. Any goods or services furnished or made available to members are provided „as-is with all defects“and without warranty of any kind. The forum disclaims all warranties fit for a particular purpose, non- infringement or merchantability. Neither EnergyBus, any EnergyBus member, nor any other supplier of software, hardware or services will be liable to the Company for any fault or defect in these items or for any failure to deliver all or any portion of these items.
5. Limited liability. In no event shall members of the EnergyBus e.V. or their suppliers be liable for any consequential, incidental, punitive or lost profit damages, or for any damages arising out of loss of use or loss of data arising out of participation in forum, events, or this agreement.
6. EnergyBus e.V. shall only be liable for intentional or grossly negligent acts or omissions.
7. In the case of harm to life or limb, EnergyBus e.V. shall only be liable for intentional or grossly negligent acts or omissions.
8. EnergyBus e.V. shall only be liable for the intentional or grossly negligent acts or omissions of people legally representing it, or assisting it.
9. In the case of harm to life or limb, EnergyBus e.V. shall only be liable for intentional or grossly negligent acts or omissions of people legally representing it, or assisting it.
10. EnergyBus e.V. shall be equally liable for contractual and criminal offences, and for any other type of claim.
11. The liability of EnergyBus e.V. shall be limited to the amount guaranteed for a single claim by the liability insurance.
12. EnergyBus e.V. shall not be liable for damage caused by force majeure.
